Foreword

Singapore International Oral Health Exhibition and Congress (SIOHEC) 2027

It is my great pleasure to welcome you to the inaugural Singapore International Oral Health Exhibition and Congress (SIOHEC) 2027.

As the flagship oral health congress hosted by the National Dental Centre Singapore (NDCS), SIOHEC represents a significant milestone in our commitment to advancing oral healthcare, professional education, research, and innovation across Singapore and the Asia-Pacific region. Guided by the theme, "Empowering the Future of Dentistry: Excellence, Expertise, Evolution," this congress brings together clinicians, researchers, educators, industry partners, and students to exchange knowledge, foster collaboration, and shape the future of our profession.

Dentistry is undergoing a remarkable transformation. Rapid advances in digital technologies, artificial intelligence, personalised care, biomaterials, and interdisciplinary treatment approaches are redefining how we diagnose, prevent, and manage oral diseases. As healthcare systems evolve to meet increasingly complex patient needs, it is essential that we continue to learn, innovate, and work together to deliver better outcomes and experiences for those we serve.

At NDCS, we believe that progress is driven through strong partnerships. SIOHEC has been designed not only as a platform for scientific exchange and continuing professional education, but also as a catalyst for meaningful collaboration between healthcare professionals, academia, and industry. Through the congress programme, hands-on workshops, and exhibition showcase, participants will have the opportunity to engage with emerging ideas, technologies, and solutions that will influence the next chapter of oral healthcare.

I would like to express my sincere appreciation to our sponsors, exhibitors, speakers, and partners for their invaluable support and shared commitment to advancing oral health. Your contributions play an essential role in enabling innovation, knowledge exchange, and professional development within our community.

As we gather in Singapore, I encourage all participants to take full advantage of the opportunities to learn, connect, and collaborate. Together, we can build stronger partnerships, inspire new possibilities, and contribute towards a future where oral health remains an integral part of overall health and well-being.

On behalf of the National Dental Centre Singapore, I thank you for being part of SIOHEC 2027 and look forward to welcoming you to an enriching and memorable congress.

CI A/Prof Goh Bee Tin
Chief Executive Officer

Welcome Message

Chairperson, Organising Committee
Singapore International Oral Health Exhibition and Congress (SIOHEC) 2027

On behalf of the Organising Committee, I am pleased to invite you to partner with us at the inaugural Singapore International Oral Health Exhibition and Congress (SIOHEC) 2027, taking place in Singapore from 14 to 17 January 2027.

Anchored by the theme "Empowering the Future of Dentistry: Excellence, Expertise, Evolution," SIOHEC 2027 marks a significant step in the evolution of professional oral health education in Singapore and the Asia-Pacific region. Building on the strong foundation of the Singapore Oral Health Congress, this new international platform reflects a strategic commitment to advancing clinical excellence, professional capability, and innovation in dental care.

SIOHEC 2027 is expected to convene over 800 delegates, including general dentists, dental specialists, oral health therapists, educators, researchers, and dental students from across the region. Through a comprehensive scientific programme and a concurrent trade exhibition, the Congress offers a unique and highly visible platform for meaningful engagement between industry partners and the oral healthcare community.

The programme will open with a two-day Pre-Congress programme consisting of hands-on workshops, followed by a two-day Main Congress featuring concurrent scientific tracks, multidisciplinary symposia, and oral presentations. A key highlight will be the launch of a scientific competition for early-career clinicians and researchers, underscoring our commitment to nurturing the next generation of leaders in oral health.

Running alongside the scientific sessions, the trade exhibition will showcase the latest technologies, materials, and solutions shaping the future of dentistry. It is deliberately designed to facilitate high-quality interaction, knowledge exchange, and collaboration between industry partners and clinicians, supporting the translation of innovation into clinical practice.

We value the vital role that our industry partners play in advancing oral healthcare and shaping the future of the profession. Your support of SIOHEC 2027 represents more than sponsorship—it is an investment in education, innovation, and the continued evolution of dentistry in the region.

We invite you to join us as a valued partner in this landmark Congress and look forward to working closely with you to create a mutually rewarding collaboration.

Yours sincerely,

Dr Natalie Tan

About Singapore

Situated in the heart of South-East Asia, Singapore is at the crossroads of international travel, with 4 billion people within a 7-hour flight radius. It offers visitors an intriguing fusion of many cultures from East and West. Singapore ranks first in the world for city infrastructure (Mercer 2017) and is the second safest city in the world after Tokyo (The Economist Intelligence Unit 2017). It is a progressive, modern, and secular democracy with an excellent record of racial and religious integration and harmony.

It is an island nation with a population of 5.6 million people, comprising mostly Chinese, Malay, and Indian ethnicities, with English as the main language of communication. Singapore is a global financial, business, medical, and scientific centre, renowned for high standards of governance, transparency, and efficiency. It has all the basics of a good host: a pro-business environment, world-class facilities and infrastructure, professional services, award-winning unique event venues, and attractions.

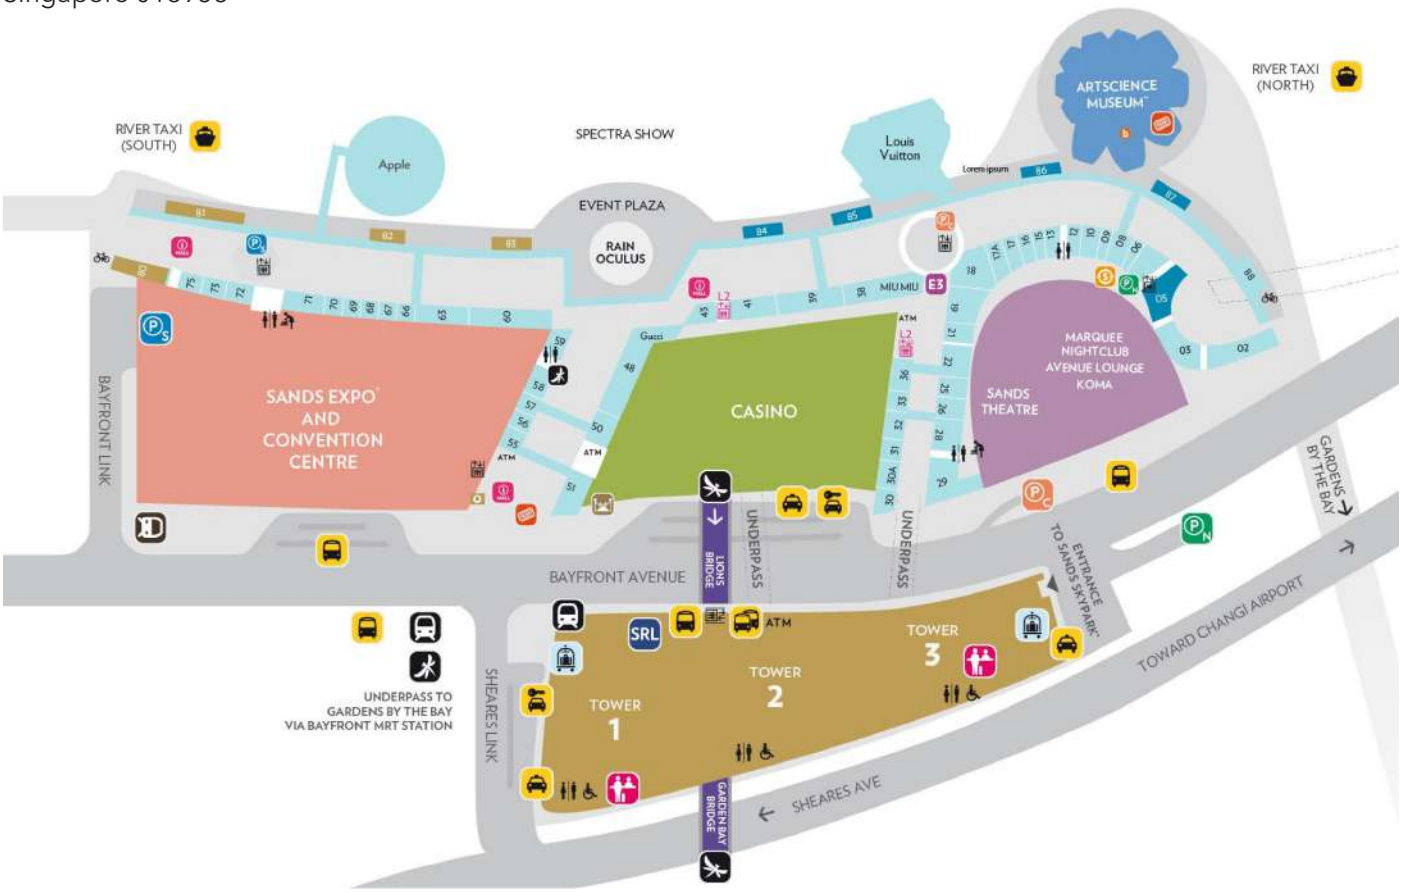

But Singapore is not all business and research. Known as a 'garden city', Singapore is famous for its natural spaces. From the eye-catching Gardens by the Bay to its intact tropical rainforests such as Bukit Timah Nature Preserve, visitors to Singapore can experience nature in a city unlike anywhere else in the world.

APPLICATION *(continued)*

Terms and Conditions for Exhibition and Sponsorship
Please read the following terms and conditions before submitting the application form.

Acceptance of General Terms and Conditions
Those wishing to participate as a sponsor or exhibitor unreservedly accept and undertake to comply with these general terms and conditions. No exhibitor nor sponsor shall assign, sublet, or share the whole or any part of the space allotted without the consent of the NDCS and approval of the terms thereof.
No exhibitor nor sponsor is permitted to show goods other than those manufactured or handled by him/her in the regular course of business.
Personnel may not initiate sales or marketing activities while in the room where a meeting session is taking place. The use of devices for the mechanical reproduction of sound is prohibited. Any demonstrations or presentations must be conducted at a low volume so that nearby exhibitors are not bothered. The Organisation may provide printed matters, souvenirs and giveaways at their exhibit booth but cannot distribute these items in any other space beyond the space allotted to the Organisation. NDCS staff have the right to approve exhibitor materials. In the event that an Organisation engages in on-location transactions, it will be responsible for complying with all laws and regulations of the SIOHEC hosting country regarding sales taxes and laws that may pertain to such sales. The Organiser reserves the right to alter the location of the exhibit area as it deems advisable and in the interest of the Exhibit Show; however, no change of location will be made without full discussion with the Organisation affected by such changes. The Organiser reserves the right to deny exhibit space and sponsor opportunities to any Organisation.

Payment Terms
All requests are on a first-come, first-served basis according to availability. Upon receipt of the application form, the Organiser will proceed to issue your Organisation the necessary invoice with payment instructions. Full payment must be made within 30 days upon submission of the application form. Payment can be made by credit card or bank transfer. For bank transfer, please include all bank charges and intermediate bank commissions in your payment.
Booking will not be processed nor the exhibition space guaranteed without the full payment within 30 days upon confirmation. The commitment for exhibit space and full payment of rental charges together constitute a contract for a right to use the space.

Cancellation Policy
In the event of cancellation of sponsorship and/or exhibition booth(s) by sponsor/exhibitor, please note that unless that particular area of sponsorship or exhibition is resold, Organiser reserves the right to retain all monies received. If the payment is not received by the due date, the allocated sponsorship or exhibition booth(s) will be cancelled. Any booth or sponsorship package cancelled after **31st October 2026** will not be refunded; thus 100% forfeited.

Insurance
The Organiser will not be liable for loss or damage to property or personnel from theft, fire, accident, or any other cause beyond its reasonable control. Organisations are advised to insure themselves at their own expense against property loss or damage and against liability for personal injury. The Organiser liability arising from or relating to this agreement is limited to the amount paid by the organisation for the services described herein.

Unscheduled Events
No participant, sponsor or exhibitor may organise, attend or favor meetings gatherings, or any other events, relating to the topics covered by the NDCS, which shall not have been reported to, and approved by Organiser beforehand.

Product Disclaimer
Organiser does not, in any manner, endorse any of the products or services related to the exhibitions which have been accepted for display during the meeting.

Health and Safety at Work Regulations
It is the responsibility of the exhibitor to ensure that his contractor, employees, displays and exhibits comply with the latest legislation regarding Health and Safety at Work Regulations in the hosting country of SIOHEC 2027.

Intellectual Property
Unless otherwise provided for in writing, the copyright and other intellectual property rights held over all the Conference Organisers' offers, publications and other products or services shall remain its property. Any rights which may be granted by the Organiser is destined for the participant's sole use and may not be assigned, transferred or granted under sub-license without the Organiser prior agreement. Granted rights shall be non-exclusive. The participant shall acquire any intellectual property over the services and products offered by the Organiser.

Data protection Clause
In any event, the sponsor/exhibitor acknowledges compliance with the European data protection regulations for its own processing, foremost among which the integrity and confidentiality of data communicated by participants and compliance with their data-retention periods.

Cancellation of SIOHEC
In the event the SIOHEC 2027 fails to take place as scheduled, dates are changed, format is changed, or is interrupted and/or discontinued, or access to the hotel or Conference or Exhibition premises is prevented or interfered with by reason of any strike, lockout, injunction, act of war, act of God, emergency declared by any government agency, or for any other reason, this contract may be terminated by the Organiser. In the event of such termination, the Organisation agrees that the sole liability of the Organiser shall be to return to the Organisation the space payments, less the pro rata share of all costs and expenses incurred
and committed by the Organiser. Under no circumstances is Organiser responsible for any exhibitors' expenses (such as travel, lodging, or exhibit shipping), or any other incidental or consequential damages. For sponsors, in lieu of a return of payments, Organiser may substitute alternate benefits of equal or greater value.

Indemnification
Exhibitor agrees that it will indemnify, defend and hold NDCS, the SIOHEC 2027 Organising Committee, their respective officers, directors, employees, agents and each of them, harmless from and against a) the performance or breach of these terms and conditions by Exhibitor/Sponsor, its employees, agents or contractors including, but not limited to, acts of its employees, agents and contractors; b) the failure by Exhibitor/Sponsor, its employees, agents or contractors to comply with applicable laws, regulations and ordinances; and c) the act, omission, negligence, gross negligence, or willful misconduct of Exhibitor/Sponsor, its employees, agents, contractors, licensees, guests, or invitees.
The terms of this provision shall survive the termination of expiration of these terms and conditions.

Amendments/Interpretation
Organiser reserves the right to amend and enforce these terms and conditions.
Written notice of any amendments shall be given to each affected Exhibitor/Sponsor. Organiser reserves the sole right to interpret these terms and conditions. All interpretations are final and are not subject to review or to appeal.

Booth spaces and sponsorship opportunities are allocated on a first-come, first-served basis.
